Your Online Health Record

At Family Medicine Center of the Bitterroot, we understand that our patients have busy lives, and there are times when you need an easy way to contact your doctor's office. As a clinic patient, you now have the convenience of Web View.

**Web View** gives you online access to your health record. Whether you're at work, on the road or at home, you can view test results, messages from your doctor and your medical information.

# YOU SEE WHAT YOUR DOCTOR SEES

## View your medical information online

- Review your medications, immunizations, allergies and medical history
- View details of your past and upcoming appointments
- Receive test results online - no waiting for a phone call or letter.
- Review health education topics and discharge instructions provided by your physician

## Stay in touch with your physician

- Communicating with your physician is as simple as sending an email - but even more secure

## Your health information and privacy are protected.

Only you, your doctor and your health care team are permitted to view the information sent through Web View. We use the latest security practices and safeguards to protect your health care information. Web View is password-protected and delivered via an encrypted connection. You can read our privacy policy and statement of security on our website under the "patient info" tab.
