Dear Patients,

We are writing to inform you that as of February 23, 2026, Nicolett Weston, FNP-C is no longer employed at the Family Medicine Center of the Bitterroot, P.C.

Your health and continuity of care are our top priorities. We will continue providing you with the best care possible, along with ensuring your prescription and medical needs are fully addressed without interruption.

You may continue your care with other providers in our practice. Dr. Child, Dr. Heath, Dr. Kirkland and Samantha Kratofil, FNP-C are available to assume your care.

Should you choose to transfer your care elsewhere, we are happy to assist you with that process as well, e.g. facilitating a transfer of your records.

Our sincere hope is that you continue to trust our clinic with your healthcare needs as we look forward to continuing to care for you and/or your family and loved ones.

Sincerely,

Brett H MD
